

## ***Are you ready to be one of US?***

*We are your neighbor, the “guy or girl next door.” We are husbands, fathers, sons, wives, mothers or daughters. We are the factory worker, the business owner, the corporate executive. We are the jogger, the sports fan, the handyman. You’ll see us in every house of worship and in our local stores, proudly wearing the emblem which shows that we are a member of a fraternity dedicated to preserving life... All Lives!*
